

**Amendments to the Specification**

Please delete paragraph [0042] of the present application (as published) on page 8, which begins on line 1 and ends on line 4 and replace it with the following replacement paragraph, which shows all changes relative to the previous version of this paragraph:

Raw materials include pure natural herbs such as Tangkuei (Angelica sinensis), Ligusticum (Ligusticum wallichii), chrysanthemum, and Salvia root (Salvia miltorrhiza). These ingredients have no side effect of whatsoever.

Tangkuei, Ligusticum, chrysanthemum and Salvia root can all promote blood circulation, regulate nervous system and reduce muscle spasm.

Please delete paragraph [0155] of the present application (as published) on page 20, which begins on line 9 beneath the heading “Exemplary Ingredients of Acupoint Patches” and ends on line 10, and replace it with the following replacement paragraph, which shows all changes relative to the previous version of this paragraph:

1. An exemplary ratio of the main ingredients is: Ligusticum 19 mg (23.75%), Salvia Root 17 mg (21.25%), Tangkuei 11 mg (13.75%), Chrysanthemum 33 mg (41.25%).
